Myla 

# Myla

A secure, extremely durable new addition to the challenging environment collection. Smooth, round profile edges ensure enhanced **safety & security.**

# Myla

## Standard Features

- Unique design aids infection control, while manual handling issues are further reduced
- Durable MDF vinyl wrapped construction
- 22mm soft edge top
- Channelled platform allows easy cleaning and air to circulate under the mattress
- Sloping sides; enables easy staff access for cleaning or assisting a service user. Also aids sit-to-stand movement
- Waterfall edging around platform/base prevents fluid ingress and improves cleaning
- Internal support sections provide enhanced durability and strength
- Integral mattress retainers

## Optional Features

- Freestanding central version or wall fixed
- Enclosed underside option to prevent misuse and concealment
- Floor standing co-ordinating headboard
- Finish options: standard finish Graphite Grey, Pippy Oak (vinyl wrapped & laminated) or white KYDEX® Thermoplastic sheet

# Myla

Myla can be wall fixed (handed left, right or central) dependent on room layout and access.

# Myla

X-Specification  
with rounded  
corners and no  
gaps or sharp  
edges

# Myla

**Aids staff access**

**Aids sit-to-stand movement**

## Sloping Sides

- Unique design aids infection control, while also reducing manual handling issues
- Sloping sides enable staff to work closer to the bed and service users to get out of bed much more easily

# Myla

**Strength.**  
**Durability.**  
**Security.**

Beneath the sealed top, Myla's internal support veins are plated and fixed with security screws.

Floor fixing option also available.

# Myla
