Myla 

Myla

**A secure, extremely durable
new addition to the challenging
environment collection. Smooth, round
profile edges ensure enhanced **safety
& security.****

Myla

Standard Features

- Unique design aids infection control, while manual handling issues are further reduced
- Durable MDF vinyl wrapped construction
- 22mm soft edge top
- Channelled platform allows easy cleaning and air to circulate under the mattress
- Sloping sides; enables easy staff access for cleaning or assisting a service user. Also aids sit-to-stand movement
- Waterfall edging around platform/base prevents fluid ingress and improves cleaning
- Internal support sections provide enhanced durability and strength
- Integral mattress retainers

Optional Features

- Freestanding central version or wall fixed
- Enclosed underside option to prevent misuse and concealment
- Floor standing co-ordinating headboard
- Finish options: standard finish Graphite Grey, Pippy Oak (vinyl wrapped & laminated) or white KYDEX® Thermoplastic sheet

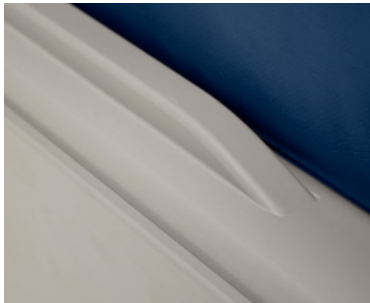

Myla

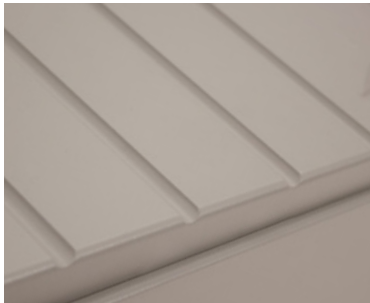

Myla can be wall fixed (handed left, right or central) dependent on room layout and access.

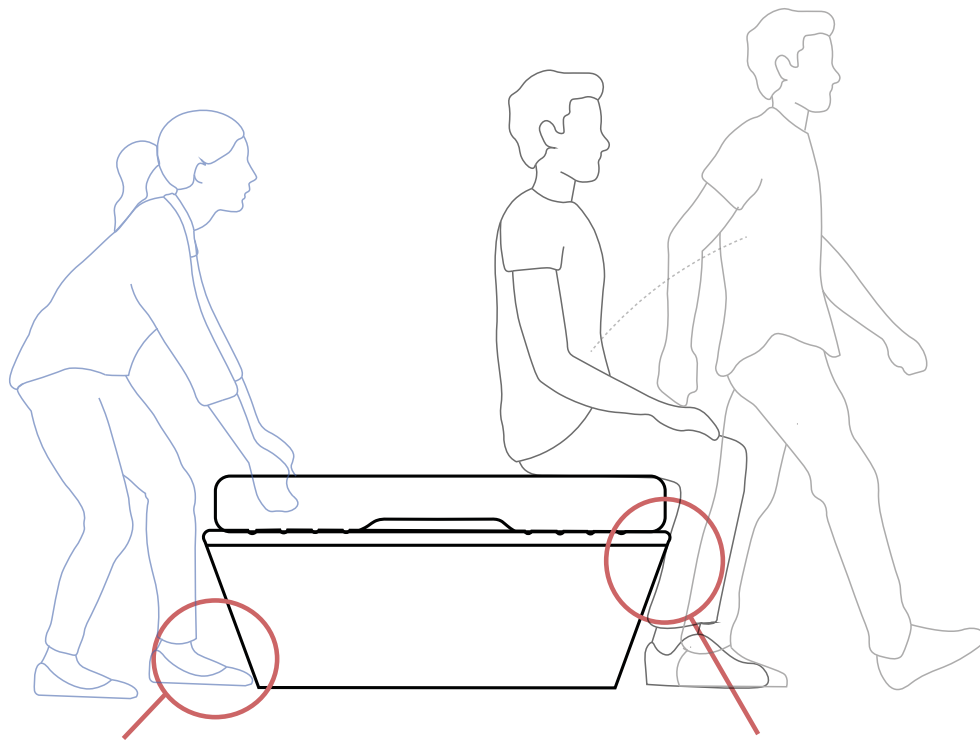

Myla

X-Specification
with rounded
corners and no
gaps or sharp
edges

Myla

Aids staff access

Aids sit-to-stand movement

Sloping Sides

- Unique design aids infection control, while also reducing manual handling issues
- Sloping sides enable staff to work closer to the bed and service users to get out of bed much more easily

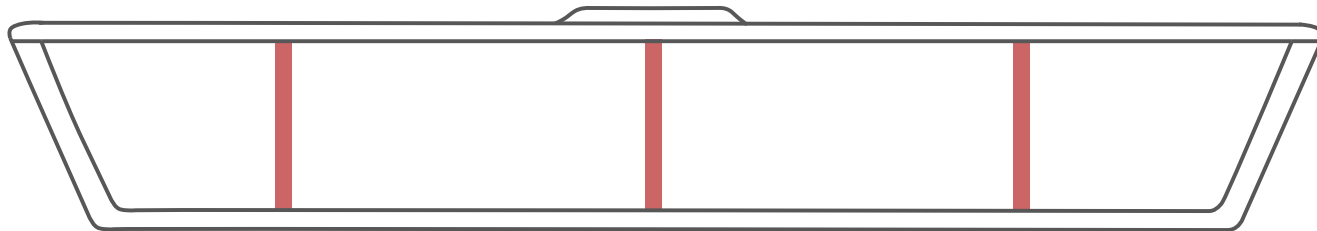

Myla

Strength.
Durability.
Security.

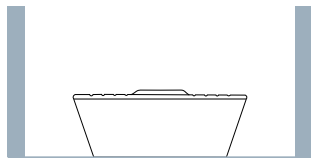

Beneath the sealed top, Myla's internal support veins are plated and fixed with security screws.

Floor fixing option also available.
