DIVIDE MY SPACE

The impact of Covid-19 has challenged the conventions of office life and will accelerate the implementation of different working styles.

The role of the workplace and its value is being demonstrated by its temporary removal. We have created product to help with getting people back into the office.

FREESTANDING ROOM DIVIDERS

Freestanding room dividers allow users to define their own space to physically demarcate social distance and give psychological comfort.

FREESTANDING DESK DIVIDERS

People work better in a space that promotes physical wellbeing, and the barriers will allow users to protect and define their space.
