HEALTHCARE WOVEN FABRICS

Pamaz soft upholsteries for care and nursing environments have established a benchmark for exceptional performance. Market leaders over 3 decades, our success in creating award winning upholsteries emanates from beautifully designed fabrics and layers of protective technology.

BEAUTIFUL, BREATHABLE & DURABLE

LAYERS OF PROTECTION

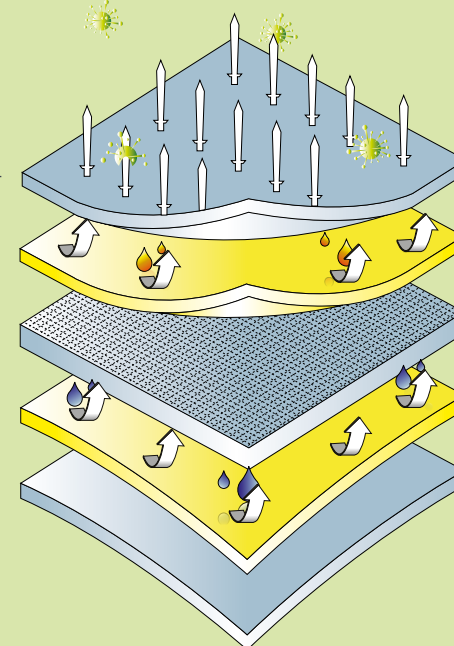

Anti-Microbial Protection with Shield Plus™
Permanently inhibits the broadest spectrum of microbes (even C diff spore) and prevents nasty odours.

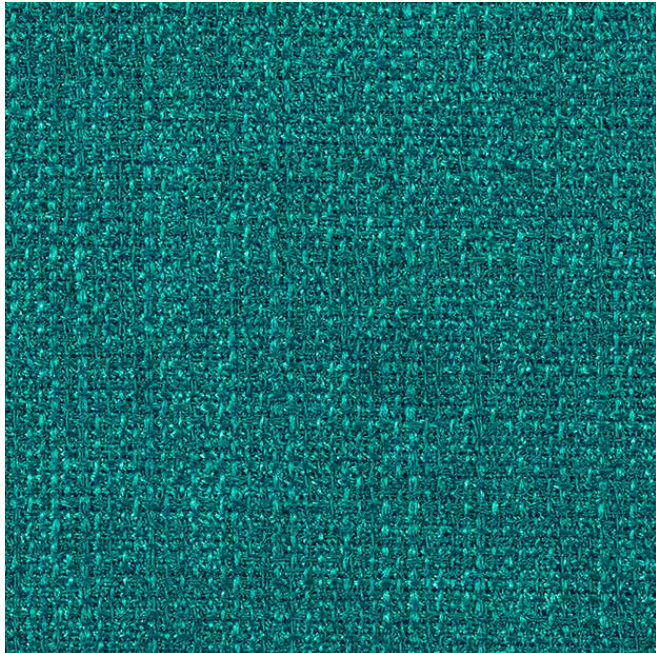

Stain Resistance
A C6 fluorochemical technology combining effectiveness with environmental consideration.

Fabric
Comfortable but durable to suit the most extreme environments. With more than 200 beautiful patterns or plains achieving 50 - 100,000 Martindale rubs.

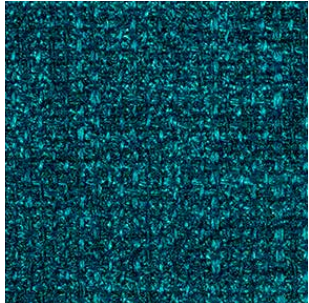

Waterproof Film
Hydrostatic head rating exceeds BS3424 water repellent standard of 1m.

Flame Retardant
To cigarette, match, crib 5 and most International Standards.
