- Straight fixed arms
- Postural support with comfort foam seat as standard
- Standard slimline foam back (shown)
- 120kg (20st) max load

Optional Features

back options:

- Reflexion® pressure management seat
- Anti-pinch leg support seat

arm options:

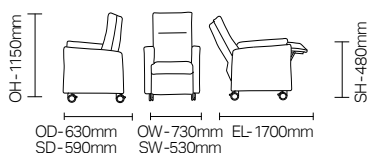

- Fixed wide arms
- Removable wide arms (shown)
- Removable straight arms

back options:

- Tiled fibre comfort back with wings
- Tiled Reflexion® pressure back

- Removable lithium battery pack

DIMENSIONS

(add 100mm to overall width for wide arm option)
